

Beijing Stopover

Beijing a metropolis in northern China, is the capital of the People's Republic of China. Beijing is China's second largest city in term of population, after Shanghai. Beijing is one of the Four Greater Ancient Capitals of China. Its also one of the world's most famous ancient historical and culture cities. From 221 B.C. to 937 A.D., Beijing remained as an important town in northern China as well as the capital city of the ducal state. Beijing is recognized as the political, educational, and culture of the People's Republic of China, while Shanghai and Hong Kong predominate in economic fields.
